fifteen priorities for action

**Parking - Managing Competing Needs**
- Transform public transport planning, capacity, reliability and incentives for use.
- Improve walking paths and bike lanes and develop incentives for non-car transport.
- Require all new developments to be self-sufficient in parking and invest in non-car transport options.

**Building Our Community - Connecting People**
- Make the physical environment support community.
- Continue to support the disadvantaged, disabled and low-income to remain in the city and support affordable housing.
- Help people in our community share their talents, resources and assets.

**Public Open Spaces - Looking After Streets and Parks**
- Manage water use and re-use, planting and park usage for prolonged drought.
- Reduce impact of major events (e.g., Grand Prix) on parks.
- Create more open space.

**Urban Planning and Development**
- Encourage environmentally sustainable design, while advocating for mandatory state government controls.
- Develop a sustainable bay side city planning scheme as a model to other councils.
- Council to support the active management of waterways, foreshores, parkland and public amenities.

**Entertainment and Residential Amenity - Managing the Price of Popularity**
- Improve event management to reduce environmental impact and better manage the effect on the community.
- Develop safe, accessible and affordable cultural events and entertainment opportunities.
- More rigorous enforcement of permit conditions on restaurants, bars and clubs.

More detail on each of the priorities is provided in the 2007-2017 City of Port Phillip Community Plan. The Working Together to Take Action - Action Plan - Year 2 outlines specific activities for each priority.
