LETTER OF OBJECTION TO PROPOSAL

I [REDACTED] owner of 82 Raglan Street Port Melbourne am writing to inform you my objection to the proposed road discontinuation rear of way No R 2419 and rear 124 Health Street Port Melbourne as the lane is part of my property and I do not agree with the selling of the lane way

The lane way is a daily use to enter and exit from the back way of my property and most importantly it's a access to transport our rubbish bin to the road for the garbage collectors to collect, there is no other way to transport our rubbish bin out to the road so please take my objection into consideration.

I have been the owner of 82 Raglan Street for over 29 years and I do not believe the proposal reflects the best interest to my property

Please do not hesitate to contact me to discuss the matter further on [REDACTED]

Your sincerely
[REDACTED]
