

Councillor Question Time

Question from Councillor Nyaguy:

Given the delay of the completion of the Marlborough Street Community Housing project, how much rent has been lost and which party is responsible for that funding that gap?

Response:

The Marlborough Street development is owned and managed by Housing First and Council has not been made aware of any delay in rent to Housing First. The Contract of sale indicated that the settlement was scheduled for 6 November 2023, however Council and Housing First were able to work together to accelerate settlement which was successfully achieved on 12 October 2023.
