

Councillor Question Time – answers to questions taken on notice*

Question from Cr Voss

Cr Voss asked when and how do Councillors see reports on the various boards and committees that Councillors contribute to? Councillor Voss highlighted her request for a report on the activities and targets of Caspa Care.

Response

The Diversity and Inclusion team are communicating with CaSPA Care to obtain a copy of the required report. We will continue to monitor progress of this request.

A review of the current reporting requirements of CaSPA Care will be captured in the greater committee's review that is currently being conducted by officers. This review is scheduled to be received by Council at the Council Meeting on 5 December 2018 and will articulate the reporting requirements of Council's advisory committees and external bodies to ensure clear reporting on relevant matters is received through an accurate and timely process.

**Please note: answers to any questions in Public Question Time which were answered at the meeting are included in the minutes of that meeting.*
