**Council Plan**

Council is committed to collaboratively delivering its Council Plan by valuing and utilising the wealth of skills and knowledge in the community. - engaging with the community to maximise feedback to ensure open and inclusive decision making; and
- using feedback from the community to inform Council decision making.

All decisions, made by Council or by officers under delegation, will be informed by an analysis of community views. The establishment of Advisory Committees and Panels are integral to Council’s Good Governance principles. Through Advisory Committees and Panels Council recognises and encourages community leadership, and seeks to maximise community feedback in its decision-making process.

In selecting community members Council will seek to:

- create a forum for full discussion of relevant matters.
