

## Item 5.2 Economic and Social Recovery – Live Love Local Update

---

### **Question from Councillor Pearl**

Of the \$500,000 we've received so far from State Government; can you give me some specific examples of infrastructure that has been built with money? Have businesses had the opportunity to apply for grants or infrastructure that they need?

### **Response**

\$250k has so far been allocated to facilitate outdoor dining activations. As of 19 October, the following had been spent:

\$17,985 on planter boxes (we cannot call these safety barriers)

\$15,930 on ramps

\$984 on core flutes and stickers

The full allocation of funds will take place over October/November.
