Rough Sleepers Initiative

*There are 89 people active on the Port Phillip By Name List (BNL), which is one less than last month. Two people were housed, and one new person came onto the list.

Of the 89 people currently active on BNL, 30 were sleeping rough including in squats and vehicles.

The Rough Sleepers Initiative* has reported 25 distinct contacts with individual people experiencing, or at risk of homelessness, in Port Phillip. Assertive outreach saw 133 contacts made during the reporting period with 37 hours of direct contact.

Council continues to work with partners to support a coordinated response to Rough Sleeping. This has included partnered activities and planning across Housing and Homelessness, City Amenity, Community Health, Indigenous Policy and Police.

*Data is provided by Launch Housing in December representing the Rough Sleeper Initiative service statistics for the previous month.
