

Councillor Question Time – answers to questions taken on notice*

Regarding dumped rubbish within the city:

1. What were the number of prosecution outcomes in the past 2 years?

(Cr Marcus Pearl)

Response

We are currently looking at utilising new mapping tools to better help us respond to dumped rubbish within the city.

We have issued in the last 12 months seven infringements.

Sustainability Victoria have just advertised that they have a new grant program on Litter and Illegal Dumping and we have registered our interest to obtain more information on this grant program.
