

## **Public Question Time – answers to questions taken on notice\***

---

### **Questions from Brandon Low:**

Q1: Requested that Council erect clear signage in the Rotary Children's Park regarding finishing time of the St Kilda Drumming Group.

### *Response*

The City of Port Phillip has guidelines surrounding installing signage relating to permitted events within the municipality. Our preference is to reduce the amount of signage across the city to ensure key messaging such as emergency evacuation information and traffic signage are more clearly identified by the community.

The St Kilda Drumming group falls under the category of a recreational gathering rather than an event requiring a permit, therefore signage would not be installed. The recreational activity does not need to finish at a particular time, and can continue provided it does not interfere with the quiet enjoyment of other people using the Council land or living in close proximity to the Council land.
