

Current Queens Lane Impactful Works

Key developers and service authorities have advised of their works program up to and including 11 January 2025.

The following works are likely to impact the community during this period, beyond standard works:

Union Street

SE Water will be continuing sewer upgrade works within Union Street from the 5 January 2026 until late February 2026.

This will involve numerous road impacts:

- The closure of the eastbound lane on Union Street between Queens Road and St Kilda Road. Traffic management will be in place.
- Temporary road closure at the corner of Queens Lane and Union Street.
- Large vehicles will be unable to do a U-turn at the bottom of Queens Lane towards Union Street.
- A community bus stop on Union Street will be impacted during our works.

For further information, please contact SE Water.
