

Public Question Time – answers to questions taken on notice*

Question from Annette Maloney:

Regarding graffiti/tagging on the Port Melbourne Colts Football Club at the JL Murphy Reserve Pavilion.

- Will Council permit the club to install CCTV facilities to the pavilion at their own cost?

Response

*Our minuted response to this question taken on notice was;
The Mayor, Cr Voss, deferred to Lisa Davis, Acting General Manager Infrastructure and Amenity, who responded that the Council thanks the club for their very generous offer, and that they are similarly disappointed and frustrated with what has been happening. The offer has to be taken on notice as it has to be taken into consideration with other improvement and deterrent measures that are currently being contemplated in the coming weeks. New lighting towers are being installed in the area this weekend coming, which has proved effective in the past, with an increase in security patrols. Council staff are also meeting with the police to request that they run extra patrols over the long weekend.*

Officers will continue to work with you and the club over the coming weeks, in accordance with our phone conversation.

**Note: answers to any questions in Public Question Time which were answered at the meeting are included in the minutes of that meeting.*
