4. PETITIONS AND JOINT LETTERS

Item 4.1

A Petition containing 53 signatures, was received from local residents.

The Petition states the following:-

“We, the undersigned residents of the City of Port Phillip request you to urgently consider the fencing of Gasworks Park on Richardson and Pickles Street to protect dogs (off leash) and car drivers from unnecessary and dangerous contact between dogs and vehicles.

There have been numerous dog accidents (and more near misses) of dogs running out onto the road. It is a fabulous facility for dogs and their owners to have a lead-free park, but the reality is that being lead free, dogs will, for multiple reasons, venture onto the busy roads.

A fence would dramatically reduce the possibility of this happening.”
