Note - The drawings are to be viewed with regard to the scale at which the document has been issued and for the specific purpose of the issue. The information contained within is considered to be correct at the time of documentation.

As an uncontrolled document, Elenberg Fraser accepts no responsibility for alterations by persons once issued.

By accepting and utilizing any drawings or other data or any form of electronic media generated and provided by Elenberg Fraser the Client agrees not to use these drawings and data, in whole or in part, for any purpose or project other than the project which is the subject of this agreement.

The Client agrees to waive all claims against Elenberg Fraser resulting in any way or from any unauthorised changes or reuse of the drawings and data for any other project by anyone other than Elenberg Fraser.

In addition, the client agrees, to the fullest extent permitted by the law, to indemnify and hold Elenberg Fraser harmless from any damage, liability, or cost, including reasonable lawyer's fees and costs of defence, arising from any changes made by anyone other than Elenberg Fraser or from any reuse of the drawings and data without prior written consent of Elenberg Fraser.

By accepting and utilizing any drawings or other data on any form of electronic media generated and provided by Elenberg Fraser, the Client covenants and agrees that all such drawings and data are instruments of service of Elenberg Fraser, who shall be deemed the author of the drawings and data and shall retain all common law, statutory law and other rights, including copyrights and Intellectual property.

By accepting and utilizing any drawings or other data or any form of electronic media generated and provided by Elenberg Fraser the Client agrees not to use these drawings and data, in whole or in part, for any purpose or project other than the project which is the subject of this agreement.

The Client agrees to waive all claims against Elenberg Fraser resulting in any way or from any unauthorised changes or reuse of the drawings and data for any other project by anyone other than Elenberg Fraser.

In addition, the client agrees, to the fullest extent permitted by the law, to indemnify and hold Elenberg Fraser harmless from any damage, liability, or cost, including reasonable lawyer's fees and costs of defence, arising from any changes made by anyone other than Elenberg Fraser or from any reuse of the drawings and data without prior written consent of Elenberg Fraser.

By accepting and utilizing any drawings or other data on any form of electronic media generated and provided by Elenberg Fraser, the Client covenants and agrees that all such drawings and data are instruments of service of Elenberg Fraser, who shall be deemed the author of the drawings and data and shall retain all common law, statutory law and other rights, including copyrights and Intellectual property.
