This Committee also allows you to be involved in the statutory and strategic planning decision making processes of Council.

About this meeting

There are a few things to know about tonight's meeting. The first page of tonight's Agenda itemises all the different parts to the meeting. Some of the items are administrative and are required by law. In the agenda you will also find a list of all the items to be discussed this evening. Each item has a report written by a Council officer outlining the purpose of the report, all relevant information and a recommendation. The Committee will consider the report and either accept the recommendation or make amendments to it. This Committee has delegated authority. A recommendation is carried if it receives majority support of the Councillors in attendance at the Committee meeting.
