

**RESPONSE TO COUNCILLOR QUESTIONS
ORDINARY MEETING OF COUNCIL 6 JUNE 2018**

**Presentation of Reports – 9.1 Balaclava Precinct - Marlborough Street
Affordable Housing - Intention to Sell - reporting of submissions in response
to public notice**

Cr Crawford asked what time rubbish collections start in City of Port Phillip. Ms Blair advised she would need to take the question on notice.

Response

Waste and recycling is collected from 6.30am to 6pm Monday to Friday. There is also two locations in the municipality that are collected after 10am, this includes the South Melbourne area and St Kilda Road and Queens Lane. The reason for the 10am collections is to allow traders in the South Melbourne area time on Monday mornings to place bins out for the day of collection, so bins are not placed out on Friday and left out over the weekend. In the St Kilda Rd and Queens Lane area it is to improve amenity for traffic movement during peak times and to reduce noise issues from multi collections from high rise developments.
