### Welcome

Welcome to this Planning Committee Meeting of the Port Phillip City Council. The aim of this Committee is to consider, within the framework of the Planning and Environment Act, State and Local Planning Schemes, major planning applications or applications that will have a large impact on the local area. This Committee also allows you to be involved in the statutory and strategic planning decision making processes of Council.

### About this meeting

There are a few things to know about tonight's meeting. The first page of tonight's Agenda itemises all the different parts to the meeting. Some of the items are administrative and are required by law. In the agenda you will also find a list of all the items to be discussed this evening. Each item has a report written by a Council officer outlining the purpose of the report, all relevant information and a recommendation. The Committee will consider the report and either accept the recommendation or make amendments to it. This Committee has delegated authority. A recommendation is carried if it receives majority support of the Councillors in attendance at the Committee meeting.

### Public Question Time

Provision is made at the beginning of the meeting for general question time from members of the public concerning planning matters. Questions relating to a topic on the agenda are not permitted during this time but can be asked prior to the discussion of that item. If you would like to ask a question during Public Question Time, please fill in the blue 'Do You Wish to ask a Question or make a Public Comment' form located outside the chamber and give it to the Administrative Officer.

### Public Comment / Question
