### **Question from Cr Bond**

Cr Bond asked how long ago did Council submit the revised documentation to the Minister?

### **Response**

Amendment C122 (St Kilda Road South) was first submitted to the Minister for Planning for approval on 18 October 2017.

In August 2018, officers submitted revisions to key design and development overlays clauses in C122 to comply with a new Ministerial Direction about the form and content of planning schemes.

Following further advice from the Department of Environment Land Water and Planning, Council officers submitted a final updated version of C122 on 1 October 2018.

On 9 October 2018, the Mayor received notification from the Minister for Planning that he has approved C122.
