EXECUTIVE MEMBER:	CHRIS CARROLL, GENERAL MANAGER, CUSTOMER, OPERATIONS AND INFRASTRUCTURE
PREPARED BY:	JULIA KOGAN, IT BUSINESS PARTNER
	KATE CORNWALL, CONTRACTS ADVISOR

1. PURPOSE

1.1 To award the Microsoft Enterprise Agreement (MS EA) for a period of 3 years to SoftwareONE Australia Pty Limited as presented by the Tender Evaluation Panel for tender RFQ0002791.

2. EXECUTIVE SUMMARY

- 2.1 Microsoft provide the software used by Council to operate the technology infrastructure and the business productivity suite of applications. Microsoft products are central to the effective ongoing operation of the Information Technology function within Council.
- 2.2 The current Enterprise Agreement is due to expire on 30 September 2021. There is no option to extend.
- 2.3 Microsoft require Local Government customers to purchase products and services through a Licencing Partner. Microsoft will not engage directly with Council. Suppliers of Microsoft Licencing were selected from of the Municipal Association of Victoria (MAV) Panel contract number NPN2.17- 3. Four organisations were approached based their capacity to manage complex licencing in Local Government. Four conforming responses were received and given equitable scrutiny as per the Council's requirements.
- 2.4 Two tender responses were shortlisted as most appropriate to Council's requirements and were further interviewed, then provided with the opportunity to put forward a Best and Final offer (BAFO). Responses were evaluated to understand the service offering and the BAFO evaluated to provide a final score.
- 2.5 The panel unanimously agreed that the SoftwareONE evaluation score determined the best outcome for Microsoft Licencing under this tender.

3. **RECOMMENDATION**

That Council:

- 3.1 Awards SoftwareONE Australia Pty Limited the contract to provide Microsoft Licencing to Council for a period of 3 years commencing 1 October 2021 to 30 September 2024.
- 3.2 Notes that the total contract value be \$2,480,000 excluding GST over 3 years.
- 3.3 Authorises the CEO, or his delegate, to execute the necessary contract documents.

4. KEY POINTS/ISSUES

4.1 The Municipal Association of Victoria (MAV) has established procurement panel contracts to leverage the combined purchasing power of Victorian councils to achieve better value on products and services.

- 4.2 Council invited suppliers of the MAV procurement panel for Microsoft licensing on 24 June 2021 receiving responses by 12 July 2021.
- 4.3 The specification requested the following key output:
 - 4.3.1 Provision of Microsoft licensing products under specified agreement types aligned with the Council Plan and Information and Communication Technology Strategic Plan.
 - 4.3.2 Licensing consultancy and professional services to assist council to extract the maximum value from such an agreement and from Microsoft Australia.
- 4.4 The Council panel comprised the following members:

Gavin More Head of Cloud & IT Services

Julia Kogan IT Business Partner

Kate Cornwall Business Lead Procurement & Contracts

All panel members signed the standard form indicating that they had no conflict of interest to declare.

4.5 Prior to approaching MAV panel suppliers, evaluation criteria were established, and an evaluation plan was developed to summarise the evaluation approach for reviewing responses. The evaluation criteria and weightings:

Price	50%
Value Added Services	25%

Capacity to meet requirements of specification 25%

4.6 The MAV panel suppliers that provided responses are qualified by Microsoft Australia to provide the required agreements for Council. . Initial Responses are summarised below in Table 1.

Table	1
-------	---

Tenderer	Score/1000
Tenderer A	784.66
Tenderer B	950.00
Tenderer C	797.43
SoftwareONE	972.96

4.7 For the financial evaluation, MAV panel suppliers were asked to provide the cost to Council per the supplied licence profile. To ensure a fair and equitable evaluation of cost, the core licences used in Council were used as the basis for comparison. All licences selected were the same SKU (product code) across all tender responses. Licences that required a deeper understanding of the current licence portfolio were removed.

- 4.8 For the qualitative value evaluation, MAV panel suppliers were asked to provide recommended licencing options based on the supplied licence profile and their respective services to assist in managing the licence portfolio for Council.
- 4.9 The panel identified two panel suppliers that demonstrated high conformance with the requirements of the tender specification. These members were invited to present their value proposition and submit a Best and Final Offer (BAFO). The same evaluation methodology was followed as the initial finance and value assessment.
- 4.10 The panel is unanimous in its recommendation that SoftwareONE be Council's preferred Microsoft Enterprise Agreement partner for the following reasons:
 - 4.10.1 Their overall proposal to deliver on the specified requirements was outstanding with demonstrable understanding of Council's needs.
 - 4.10.2 They exhibited strong technical and process capability in line with managing Microsoft licensing for complex environments.
 - 4.10.3 A depth of understanding of the Local Government domain and how licensing agreement constructs are formed and managed in this sector.
- 4.11 Reference checks were conducted with similar organisations including two other metro Council. All referees for SoftwareONE provided confirmation of their responsiveness as a service provider, spoke highly of the quality of advice provided and excellence in managing the contract and advice provided to their businesses.

5. CONSULTATION AND STAKEHOLDERS

5.1 Not applicable

6. LEGAL AND RISK IMPLICATIONS

6.1 Council is obliged to correctly licence software applications used by the organisation to meet the terms of use for Microsoft products. SoftwareONE is well resourced with experienced personnel, and this should ensure that Council avoids risk that may lead to financial loss or have a negative impact on Council's reputation

7. FINANCIAL IMPACT

- 7.1 The expected gross cost of using the preferred supplier over the next 3 years is \$2,480,000 excluding GST. This is within budget for this cost category.
- 7.2 The response from SoftwareONE provides the best value proposition for Council.

A standard financial evaluation was conducted of the preferred supplier. A report obtained by Council's Business Lead Procurement and Contracts highlighted the capacity of the preferred supplier to provide the service in accordance with Council's requirements, with an extremely low risk of failure.

8. ENVIRONMENTAL IMPACT

8.1 Not applicable

9. COMMUNITY IMPACT

9.1 The Microsoft licences are acquired to provide essential technology operations into Council. The effect of not having these services adequately licenced or managed will be impactful on Council in providing the array of services reliant on technology to the community
