

Community Grants Assessment Panel 2017 - 2018

Nominations Now Open - Closing 9 January 2017

Are you interested in your local community? Do you want to help guide decisions on Council's Community Funds? Have you the necessary expertise and knowledge to make an informed contribution to the panel? We would love to hear from you.

The City of Port Phillip is inviting interested residents to apply for a two year voluntary appointment as an Assessment Panel Member for the annual Community Grants Program. Two panels each consisting of one Councillor, one Senior Council Officer and two community representatives will meet in April 2017 to evaluate grant applications and make recommendations to Council.

Successful candidates will have access to applications from local community organisations; learn about supportive and innovative program and project ideas that make the City of Port Phillip engaged, healthy, resilient and vibrant.
