### Councillor Question Time – answers to questions taken on notice\*

---

The Mayor, Cr Voss asked if there was any information available about what the percentage of the dollar figure is for the license, what percentage is support, what percentage is training and associated services?

**(Cr Voss)**

#### **Response**

With regard to your question on Wednesday night I can confirm the following.

We anticipate that 15% of the contract value will be allocated to services and 85% to licensing.

There are no new products included in the licensing agreement except for those the Microsoft release in the future as part of their Office 365 offering.
