

# welcome to summer in Port Phillip

We're sure it will be another fantastic summer if we all play our part to keep our beaches, parks and streets safe, clean and fun for everyone.

Here's how you can play your part:

*use the bin*

Everything from cigarette butts to plastic wrappers can end up in our bay and endanger our marine life. Litter also impacts on everyone's enjoyment of our public spaces.

*cut the glass*

For everyone's safety, no glass is allowed at our beaches, foreshore reserves and parks. Your feet will thank us for it!

*take it easy*

There is a 24-hour ban on drinking or holding an open container of alcohol on all streets and footpaths.

From 8 pm to 12 noon the next day, you cannot drink or hold an open container of alcohol at our beaches, parks and public places.

More information:

**PLAY YOUR PART**  
*all summer long*
