

Item 7.2 Petition - Request to stop the removal of a child sized tree swing on Page Street, Albert Park

A change.org petition containing 333 signatures was received and presented to Council.

The Petition states the following: -

This petition is required by Port Phillip Council to stop the removal of a child sized tree swing on Page St Albert Park.

OFFICER COMMENT

A combined report will be brought to Council on 16 September that responds to this petition, and the petition in relation to play equipment in trees in Murchison Street that was received by Council on 19 August.

OFFICER RECOMMENDATION

That Council receives and notes the petition and that officers provide a response at the next available Council Meeting.
