

## **Presentation of Reports – 9.4 CCTV Acland Street, and St Kilda entertainment Precinct**

---

### **Question from Councillor Voss**

Councillor Voss asked if the term target hardening could be elaborated in terms of open space.

### **Response**

Target hardening, also referred to simply as hardening when made clear by the context, is a term used by police officers, those working in security, and the military referring to the strengthening of the security of a building or installation in order to protect it in the event of attack or reduce the risk of theft.
