

Councillor Question Time

Question from Councillor Pearl:

Can officers table the total cost spent on the Shrine to Sea Project so far?

Response:

Shrine to Sea is a State Government Project with the project budgets and timelines managed by the State. Officers do not have access or oversight of these budgets and are not in a position to provide the requested information.

The following response has been provided from the State Government in response to Councillor Pearl's query:

'Subject to any directions provided by the new Minister for Environment, the Hon Ingrid Stitt MP, the City of Port Phillip Councillors will be provided with an overview of the full draft masterplan and relevant financial matters in February 2023 by the Shrine to Sea project team.'

**Please note: answers to any questions in Public Question Time and Councillor Question Time which were answered at the meeting are included in the minutes of that meeting.*
