

## **Councillor Question Time – answers to questions taken on notice\***

---

The Mayor, Cr Voss, advised that there had been a significant theft at JL Murphy Reserve with copper wire being stolen and asked how Council could reduce theft?

**(Cr Voss)**

### **Response**

In response to your question about the theft of copper wire being stolen at JL Murphy Reserve. Officers are aware of the theft, and have been working with the appropriate departments to have the repairs completed in a timely manner.

To prevent this from happening in the future building maintenance will be completing the following works as part of the repairs;

Including sealing the electrical pits with concrete and then covering with grass seedlings to prevent theft in the future.

The sealing of the pits will be carried out once the lights are rewired, tested and signed off.
