**Questions from Cr Crawford**

Q1: Cr Crawford asked if officers could confirm that Council has reduced the number of events held at Catani Gardens over the last few years?

**Response**

The number of events held in Catani Gardens have reduced from the 2016/2017 event season. In that season there were 14 events held in Catani. Last event season saw 11 held in the gardens, with the same number expected again this year. Only 2 of the 11 events to be held in Catani Gardens this season are music events.
