

**RESPONSE TO COUNCILLOR QUESTIONS
ORDINARY MEETING OF COUNCIL 20 JUNE 2018**

**Presentation of Reports – 13.1 Cultural Development Fund Grant
Recommendations**

Cr Copsey asked if any of the projects had received no additional funding?

Response

No projects from this year's list of projects for Community Development Fund grants received all (100%) of their funding from Council.

In looking at applications, the panel does look at whether the applicant has received additional funding from other sources.

And, while three projects did receive a majority of funding from Council, this is consistent with some projects being from smaller organisations, sole or first-time applicants.
